Usage of any items from the University of Cumbria’s institutional repository ‘Insight’ must conform to the following fair usage guidelines.

Any item and its associated metadata held in the University of Cumbria’s institutional repository Insight (unless stated otherwise on the metadata record) may be copied, displayed or performed, and stored in line with the JISC fair dealing guidelines (available here) for educational and not-for-profit activities

provided that

• the authors, title and full bibliographic details of the item are cited clearly when any part of the work is referred to verbally or in the written form

  • a hyperlink/URL to the original Insight record of that item is included in any citations of the work

• the content is not changed in any way

• all files required for usage of the item are kept together with the main item file.

You may not

• sell any part of an item

• refer to any part of an item without citation

• amend any item or contextualise it in a way that will impugn the creator’s reputation

• remove or alter the copyright statement on an item.

The full policy can be found here.

MAN EATING SHARK IN MATAWAN CREEK CAUSES DEATH OF MAN AND BOY

W. Stanley Fisher Loses His Life in Trying to Recover Body of Lester Stilwell.

Joseph Dunn, a Brooklyn Boy, Also Attacked and Escapes With Mangled Leg and Foot Made by Shark As He Evidently Was Making His Escape from the Creek—Dynamite and Other Means Used Ineffectually to Find Body of Stilwell Boy.
Huge Shark, of the Man-Eating Species, Caught at Belfort, N. J.

Government to Aid Fight to Stamp Out the Shark Horror
MAN-EATING SHARK OF VARIETY WHICH INFESTS ATLANTIC

This fish, weighing 600 pounds, was caught off the Cuban coast by Geoffrey H. Maker, the cigar importer, and a hunting party, which was towed four miles before the shark weakened. This is believed to be one of the species now preying on the Jersey coast.

QUICK NEWS

FOSTER RETIRED FROM I. C. S. PRESIDENT

SCRANTON, Pa., July 7.—Thomas J. Foster, founder of the International Correspondence Schools, is dead of exhaustion at Scranton, Pa., where the board of directors met for reorganization today. Mr. Foster, a former president of the Scranton Board of Trade and a business man, was made president. He was appointed when local banks went to the rescue of the schools, some time ago, for Mr. Foster is the largest in the employ of the schools, but chairman of the directors.

VILLA RECRUITING AGENTS AT WORK NEAR HUTZ

COLUMBUS, N. M., July 7.—Villa agents are reported to be working among the Pancho Villa's troops in this state. The recruiting agents have been working among the revolutionary troops at Villa Alaska, encouraging desertion to the bandits' cause. They used the argument that the bandits are in league with the Huerta's.
