Usage of any items from the University of Cumbria's institutional repository 'Insight' must conform to the following fair usage guidelines.

Any item and its associated metadata held in the University of Cumbria's institutional repository Insight (unless stated otherwise on the metadata record) may be copied, displayed or performed, and stored in line with the JISC fair dealing guidelines (available [here](#)) for educational and not-for-profit activities

provided that

- the authors, title and full bibliographic details of the item are cited clearly when any part of the work is referred to verbally or in the written form
 - a hyperlink/URL to the original Insight record of that item is included in any citations of the work
- the content is not changed in any way
- all files required for usage of the item are kept together with the main item file.

You may not

- sell any part of an item
- refer to any part of an item without citation
- amend any item or contextualise it in a way that will impugn the creator's reputation
- remove or alter the copyright statement on an item.

The full policy can be found [here](#).

ANTIPHON – KOCHI-MUZIRIS BIENNALE 2016, KERALA, INDIA

Posted by [Jane Topping](#) on **Mar 05, 2017** in [Things I am involved with](#)

Delighted to be involved with this exciting event:

Friday 3 March – Tuesday 7 March

[LUX Scotland](#) presents **ANTIPHON**, a series of five screenings bringing together a selection of Scottish artists' moving image work and titles from the LUX collection.

Evolutionary Jerks & Gradualist Creeps

Friday 3 March

A screening of Duncan Marquiss' recent documentary film *Evolutionary Jerks & Gradualist Creeps* (2016), which considers analogies and differences between the cultural and biological realms. Comparing the history of life within the fossil record with the evolution of popular music, the film takes patterns of evolution as cues for image-making and editing structures. This film is presented alongside *Copy Errors*, Marquiss' curated programme of research material and archival films that informed the development of *Evolutionary Jerks & Gradualist Creeps*.

Duncan Marquiss

Saturday 4 March

A programme of films by artist Duncan Marquiss from the last nine years, revealing shifts in style and execution. This body of work ranges from the material experimentation of his flicker films, to recent documentary videos that stem from his interest in biology. Works include *Late Cinema* (2009), *Midday* (2011), *Midgie Noise from Video Artefacts* (2008) and *Search Film* (2015).

The screening will be following by a Q&A with Duncan Marquiss and Nicole Yip, Director of LUX Scotland.

Like Stroking a Shadow

Monday 5 March

A programme of films on perception and understanding, fiction and reality, truth and uncertainty, and the unexplained. Programme features Sarah Forrest, *Again, it objects* (2016), **Jane Topping**, *Peter*, (2014), Torsten Lauschmann, *Crazy Paving*, (2014), and Adam Lewis Jacob, *Vision*, (2016), (produced by Elizabeth Murphy).

BRIDGIT

Tuesday 6 March

A screening of *BRIDGIT* (2016), a new work by artist Charlotte Prodger, preceded by three short animations by the late artist and musician Katy Dove, whose works conjure life as an irrepressible internal rhythm, as well as an external world of colour, music, birdsong, woodland and sky. Programme features Katy Dove, *Fantasy Freedom* (1999), *Luna* (2004), *Meaning in Action* (2013), and Charlotte Prodger, *BRIDGIT* (2016).

Eglantine Wednesday 7 March

The Indian premiere of acclaimed artist and filmmaker Margaret Salmon's debut feature film *Eglantine* (2016), an intimate and vivid account of a young girl's real and fantastical adventure in a remote forest one evening. Shot on 35mm in various locations around Scotland, this film draws inspiration from a range of cinematic movements as well as wildlife documentaries to produce a lyrical and sensual portrait of a child's eye perspective on the natural world.

ANTIPHON is presented alongside **Analogy Loom**, a video art workshop with Duncan Marquiss taking place as part of Kochi-Muziris Biennale from 2 – 5 March.

ANTIPHON and **Analogy Loom** are hosted by LUX Scotland, [British Council](#) and [Kochi Biennale Foundation](#).

Peter (Screen Shot) Digital film 29:55,
2014.
