Poster Presentations - Wednesday 10 July

Work in Progress & General Posters

(Listed A-Z by Author surname)

Poster Session: 15:40

001	Ref: 2724 - Evaluation of a healthy lifestyle group intervention for patients with intellectual disability in an inpatient setting Alison Burrell, <i>The State Hospital</i>
002	Ref: 2966 - A preliminary analysis of how social identity leads to effective forms of social support in an online physical activity group Radhika Butalia, <i>University of Leuven</i> - Presented by <i>Kirstie McClatchey</i>
003	Ref: 3140 - The effectiveness of eHealth interventions in supporting patients deliver and manage Peritoneal Dialysis: A systematic review Emma Cartwright, <i>NTU</i>
004	Ref: 3139 - Age, pain intensity, values-discrepancy, and mindfulness as predictors for mental health and cognitive fusion Edwards Darren, <i>Swansea University</i>
005	Ref: 3144 - A systematic review of the barriers and enablers of Type II diabetes mellitus healthcare in adults with severe mental illness Tracey Dorey, <i>City, University of London</i>
006	Ref: 3146 - Longitudinal study on the effect of alcohol and stress on brain activity and cognitive performance in undergraduate students. Rebecca Dwyer, <i>Manchester Metropolitan University</i>
007	Ref: 2435 - Are interventions delivered by healthcare professionals effective for weight management a systematic review of systematic reviews Tracy Epton, <i>Manchester Centre for Health Psychology, University of Manchester</i>
008	Ref: 3114 - Seasonal variation in salivary cortisol concentrations in pregnant women at term: The Grown in Wales (GIW) cohort Samantha Garay, <i>Cardiff University</i>
009	Ref: 2781 - Exercise and body image issues in prostate cancer: comparing patients on ADT, to ADT-naive patients and age-matching controls. Caterina Gentili, <i>Centre for Appearance Research, University of the West of England</i>
010	Ref: 2709 - Designing a pathway from primary care to community-based jogging group: What are the opinions of primary care staff and patients? Ozakinci Gozde, <i>University of St Andrews</i>
011	Ref: 2629 - Identifying Factors associated with Treatment Non-Adherence in Paediatric Growth Hormone Deficiency: A Qualitative Study. Selina Graham, <i>King's College London</i>
012	Ref: 3035 - Patients' and health professionals' views about online psychological interventions for IBD: a qualitative exploratory study Inna Hanlon, <i>University of York</i>
013	Ref: 3115 - Smoking Cessation Brief Intervention training: can including behavioural practice and rehearsal improve training outcomes? Aimee Harper, <i>East Riding of Yorkshire Council</i>
014	Ref: 3149 - Searching for everyday objects and detecting road signs in age-related macular degeneration: a novel computer-based test

Our conference programme is subject to change at any point before or during the conference itself. We are unable to accept responsibility for changes made which are outside of our control.

	Bethany Higgins, City, University of London
015	Ref: 3119 - Psychological Adaptation of international students in the Non-Government Control Area in Cyprus: A cross-sectional study Mevhibe Hodjaoglou, King's College London, Cicely Saunders Institute of Palliative Care
016	Ref: 3018 - An Evaluation of a Culturally Adapted Pain Management Program Rehana Hussain, InHealth Pain Management Solutions
017	Ref: 3141 - Mental Health Care Provision for School-Going Adolescents in Colombo: A School Counsellor's Perspective H Kaushi H Jayawardena, American National College
018	Ref: 3152 - Experiences of high-stakes 'only-eye' surgery: patient and surgeon perspective Lee Jones, City, University of London
019	Ref: 3150 – A systematic review investigation use of Motivational Interviewing in obesity care settings Harriet Makin, University of Liverpool
020	Ref: 3020 - Implementing IMProved Asthma self-management as RoutTine: The IMP2ART Programme Kirstie McClatchey, University of Edinburgh
021	Ref: 2912 - Yoga can mediate stress: as told by physiological Markers Michaela Pascoe, Victoria University
022	Ref: 2913 - Are all meditations created equally? What meditation can help you stress less Michaela Pascoe, Victoria University
023	Ref: 2914 - Physical Activity for Universal Depression Prevention in Young People Michaela Pascoe, Victoria University
024	Ref: 3090 - Time Perspective and self-care in emerging adults with Type 1 diabetes Elaine Sharp, University of Brighton
025	Ref: 3130 - How does moment-to-moment and day-to-day changes in fatigue impact daily life? Hannah Siden, University of Aberdeen
026	Ref: 2608 - Workplace prompts to reduce sedentary behaviour: Participants experiences of receiving nudge based messages. Kirsty Simpson, University of Derby
027	Ref: 3127 - A pilot study of the feasibility and effectiveness of an inpatient cycling intervention in pediatric cancer patients: 'Oncobike' Ece Soysal, Istanbul Bilgi University
028	Ref: 3145 - What aspects of acceptance influence health related quality of life in Haemodialysis patients? Carol Stalker, University of Derby
029	Ref: 3128 - The effect of social norm interventions on clinical behaviour change in health workers: a systematic review Mei Yee Tang, University of Manchester
030	Ref: 3135 - Reproducing "culture" as a barrier to individual and collective change: The case of Rapid Weight Loss practices in combat sports Sue Wilbraham, University of Cumbria

Our conference programme is subject to change at any point before or during the conference itself. We are unable to accept responsibility for changes made which are outside of our control.

031	<p>Ref: 3015 - Menstrual Equity and Chronic Health Conditions: A Systematic Review Gemma Williams, <i>Birmingham City University</i></p>
032	<p>Ref: 3106 - A Meta-Analysis of Effectiveness of ehealth Interventions for HIV-Preventive Behaviors among Men Who Have Sex with Men Meiqi Xin, <i>The Chinese University of Hong Kong – Presented by Phoenix Kit-Han Mo</i></p>
033	<p>Ref: 3107 – Representing behavioural theories using an ontology-based modelling system Silje Zink, <i>University College London</i></p>

Thursday 11 July 2019
