

Cooper, Abigail (2019) Working with endangered macaws: from graduation to employment. In: Ambleside campus seminar, 25 September 2019, University of Cumbria, Ambleside, UK. (Unpublished)

Downloaded from: <http://insight.cumbria.ac.uk/id/eprint/5090/>

Usage of any items from the University of Cumbria's institutional repository 'Insight' must conform to the following fair usage guidelines.

Any item and its associated metadata held in the University of Cumbria's institutional repository Insight (unless stated otherwise on the metadata record) may be copied, displayed or performed, and stored in line with the JISC fair dealing guidelines (available [here](#)) for educational and not-for-profit activities

provided that

- the authors, title and full bibliographic details of the item are cited clearly when any part of the work is referred to verbally or in the written form
 - a hyperlink/URL to the original Insight record of that item is included in any citations of the work
- the content is not changed in any way
- all files required for usage of the item are kept together with the main item file.

You may not

- sell any part of an item
- refer to any part of an item without citation
- amend any item or contextualise it in a way that will impugn the creator's reputation
- remove or alter the copyright statement on an item.

The full policy can be found [here](#).

Working with Endangered Macaws from Graduation to Employment

Presentation by **Abigail Cooper**
BSc (hons) Animal Conservation Science 2017

Wednesday September 25th at 13:00hrs
Franklin, University of Cumbria, Ambleside Campus

Photograph by C. Raffel

This presentation will provide an insight into working on a ground-breaking successful reintroduction, with endangered macaw species in Costa Rica. An opportunity for summer volunteering, placement years, post-graduate experience aimed to increase employability and promote dissertation research

All welcome
